BRADBURY  
SCHOOL  
白普理小學

白普理小學  
Bradbury School

白普理小學致力成為一所環保學校，透過日常運營為學生、教職員及整個學校社區提供環境可持續性教育。Eco-Dudes 學生小組負責管理環保活動，如回收、園藝和堆肥。學校同時亦透過不同措施包括引入太陽能板、加建雨水儲存缸、添置電力及手動堆肥機、建立綠化牆等，減少對環境的影響。學校更實行停用單次使用塑膠製品政策，減輕塑膠污染問題，有關回收數據亦會與持份者分享。

Bradbury School strives to be an eco-friendly school both in its daily operation as well as in providing environmental sustainability education to students, staff, and the wider community. Notable student action includes the Eco-Dudes student group that manages recycling, gardening and composting. Environmental education is embedded throughout the curriculum through the “Unit of Inquiry”. In order to minimise impact on environment, various infrastructure including rooftop solar panels, rainwater catchment tank, electric and manual composters and green walls were installed. No single use plastics policy has also been implemented to reduce plastic pollution. Related reports such as recycling data are frequently shared with the stakeholders.

為學生舉辦各類環境教育計劃，例如參觀鄰近日出康城的堆填區，以了解更多有關堆填區飽和的問題；學習「從農場到餐桌」的概念，並在有機花園種植自己所需的食物。

Organising various environmental education programmes for students, such as visiting the landfill near Lohas Park to understand more about the full capacities of landfills, studying farm-to-table and growing their own food in the organic garden.

設置一部電動廚餘機以處理廚餘，並讓六年級學生每週有系統地收集廚餘。

Installing an electric food waste composter to process food waste and engage Year 6 students to systematically collect food waste across school on a weekly basis.

為了推動學生積極減廢及回收，以「班級積分」的形式向學生發放獎勵，例如兌換更多的自由活動時間、換取小禮物等。

Motivating students to act on waste reduction and recycling by offering them rewards of “class point” to redeem extra free time on campus, small gifts, etc.
