

Student Environmental Protection Ambassador Scheme 2022/23

Application Guidelines and Training Schedule on “Basic Environmental Badge Train-the-Trainer Workshop” (Primary Section), “Environmental Training Workshops” & “Environmental Education Training Camp” for Teachers

I. Basic Environmental Badge Train-the-Trainer Workshop

- ◆ The workshop aims to (i) equip teachers with the skills to be a Qualified Trainer; (ii) enrich ability of teachers in developing methodologies for teaching environmental knowledge and organising environmental activities; (iii) facilitate teachers in nurturing a sense of environmental awareness and leadership skills in students; and (iv) strengthen teachers’ capability in implementing environmental education which echoes with government initiatives.
- ◆ Training includes seminar and field visit. Upon completion of the whole-day training, certificates will be awarded to teachers. Qualified teachers are eligible to conduct school-based basic environmental badge seminars for their SEPAs.

Guidelines on Application

- ◆ The training sessions are **free of charge** and open to all participating schools of the Student Environmental Protection Ambassador Scheme 2022/23.
- ◆ Training sessions will be conducted in **Cantonese**.
- ◆ Interested teachers should complete the enrolment form at **Appendix** and return the **(.docx) files** to the ECC Secretariat by email to schools@epd.gov.hk **on or before 7 October 2022 (Friday)**.
- ◆ Priority will be given to teachers first, followed by teaching assistants on a first-come-first-served basis.
- ◆ Schools will be notified of the results and details of the training in writing no later than two weeks prior to the activities. For effective use of training resources, teachers/ teaching assistants who are **not able to attend** the allocated training sessions must inform the ECC Secretariat **in writing one week before commencement of the training**.
- ◆ The ECC Secretariat will inform respective participating schools of the teachers' attendance records after the training.
