

Waste Separation and Recycling Scheme in Schools

1. Objectives

- To enhance students' understanding of the importance of resources conservation and waste separation; and
- To encourage the practice of separating waste for recycling

2. Organisers

- Environmental Campaign Committee (ECC)
- Environmental Protection Department (EPD)
- Education Bureau

3. Funded by

- Environment and Conservation Fund

4. Details of the Scheme

The scheme is open to all primary and secondary schools. The details are as follows –

4.1 Provision of 3-colour Waste Separation Bins

- Each participating school can apply for **no more than two sets of 3-colour waste separation bins** for free. **The bins should be placed at the outdoor area within the school campus to provide a waste separation facility for at least three years.** Each set of waste separation bins comprises three bins: blue, yellow and brown for collecting waste paper, metals and plastics respectively.
- The capacity of each bin is about 200 litres and its dimension is 0.5m [Width] x 0.4m [Length] x 1.05m [Height].

4.2 Conditions for Use

- The bins are granted to schools on a **free-of-charge basis**. Schools allocated with bins must comply with the following conditions:
 - (a) The bins should be placed at the outdoor ground area within the school campus for promoting resources conservation and waste separation for at least three years.
 - (b) The bins should not be placed at or along the route for fire exits/escape;
 - (c) The bins should be kept clean and tidy and appropriate measures should be taken to keep them in good condition;
 - (d) The ECC's logo printed on the bins should be fully visible and should not be covered;
 - (e) The bins should not be abandoned or placed outside the school campus;
 - (f) The bins should not be transferred to other organisations without prior written consent from the ECC;
 - (g) The ECC offers one-year free maintenance warranty for the bins counting from the date of receipt of the recycling bins. Please note that the warranty only covers natural damage, any claims for maintenance due to improper use or misplacing the recycling bins will not be entertained;
 - (h) Application for replacement of a whole set or a single bin will normally be considered if the bins granted by the ECC have been used for more than 3 years and are no longer in good condition due to natural wear and tear. Photo(s) of the bins which are no longer usable and the date of receipt of the bins shall be provided to the ECC. Any other cases (e.g. the bins could not function properly due to broken parts) would be considered on an individual basis; and
 - (i) If the bins are no longer usable due to natural wear and tear, the school shall arrange a recycler to collect the bins for recycling in a proper way. It is not necessary to return the bins to the organisers.
- It is entirely at the ECC's discretion to decide whether and how many waste separation bins will be distributed to each school.
- Schools planning to procure extra waste separation bins may make reference to the list of local suppliers at the EPD's Hong Kong Waste Reduction Website:
https://www.wastereduction.gov.hk/en/household/pmc_bins_supplier.htm.

4.3 Recyclables Collection Services

- To ensure proper disposal of collected recyclables, participating schools must engage recyclers for recyclables collection. Schools can consider the following options:
 - (a) The ECC can refer schools to the Environmental Protection Department (EPD) for arranging contractor to provide free recyclables collection services. The collection schedule will be announced and updated regularly at the ECC website:

http://school.ecc.org.hk/english/recycling_scheme/recycling_scheme.html.

- (b) Schools can arrange recyclables collection services themselves. They may make reference to the directory of waste recyclers at the EPD's Hong Kong Waste Reduction Website: https://www.wastereduction.gov.hk/tc/quickaccess/vicinity.htm?collection_type=collector&material_type=all&district_id=0&view=%E5%8E%BB.
- If schools opt to use the recyclables collection services provided by the contractor of the EPD, schools must comply with the following matters:
 - (a) Schools must properly install the bins granted by the ECC. Photo(s) of the bins and text description of the location of the bins shall be provided to the ECC for the referral of application for the recyclables collection services provided by the contractor of the EPD. If schools place the bins at two different locations, the location of a single collection point on the ground floor shall be also provided. Meanwhile, schools must gather and place all collected recyclables next to the bins of the single collection point. The recyclables collected should be put inside the transparent plastic bags provided by the contractor of the EPD.
 - (b) The bins should be placed at the outdoor ground area within the school campus.

If schools are found to have violated the above, the recyclables collection services to those schools may be terminated by the EPD immediately.

- The recyclables collection services provided by the contractor of the EPD **would not** be arranged to schools that have not been granted any bins by the ECC. The bins granted by the ECC **would not** be allocated to schools without any proper recyclables collection arrangements.
- For any enquires related to the arrangement of recyclables collection services provided by the contractor of the EPD, please contact Recyclables Collection Service Hotline of the EPD at 6623 6343.

4.4 Enrolment to the Scheme

- Interested schools should submit the completed **Application Form (Annex I)** together with the **Undertaking (Annex II)** to the ECC Secretariat by email to schools@eeb.gov.hk or by fax at 2909 9516.

4.5 Cessation of Recyclables Collection Services Arranged by the EPD

- To cease using the recyclables collection services arranged by the EPD, schools should submit the completed **Annex III** to the ECC Secretariat for follow-up action.

5. Enquiry

For any enquiries related to the **application for waste separation bins**, please contact the Environmental Campaign Committee Secretariat:

Tel. No. : 2519 9173

Fax No. : 2909 9516

For any enquiries related to the **arrangement of recyclables collection services**, please contact Recyclables Collection Service Hotline of the EPD:

Tel. No. : 6623 6343

**Waste Separation and Recycling Scheme in Schools
3-colour Waste Separation Bins Application Form**

To: Environmental Campaign Committee Secretariat
(Attn: Assistant Secretary (Community Relations)2)
(Email : schools@eeb.gov.hk Fax : 2909 9516)

Please tick as appropriate.

Part 1 Application for Waste Separation Bins

Our School applies / has already applied to join the Waste Separation and Recycling Scheme.

- I) Reason for application For first installation
 For replacement of waste separation bins provided by the Environmental Campaign Committee
(Please submit photo(s) of the bins which are no longer usable due to natural wear and tear and the date of receipt of the bins with the completed application form)
 Not applicable
- II) Number of waste separation bins required 1 set
 2 sets
 Not required
- III) This part is only applicable for requesting single waste separation bin* Waste paper _____(Pcs)
 Plastics _____(Pcs)
 Metals _____(Pcs)

Part 2 General Information *(The personal data collected in this part will be forwarded to the contractor of the ECC for the delivery and replacement of waste separation bins)*

School Name	(Chinese)		
	(English)		
School Address	(Chinese)		
	(English)		
Contact Person	Name	Mr./ Ms.* (Chinese)	(English)
	Position		
	Contact No.		Fax No.
	Email Address		

Part 3 Recyclables Collection Services

- I) Please refer our school to the Environmental Protection Department (EPD) for arranging recyclables collection services ***(Please fill in Item III)***
- II) Our school has recyclables collection services:
a) The ECC has already referred our school to the EPD for recyclables collection services. ***(Please fill in Item III)***
b) The existing recycler of our school is _____.
- III) If your school **applies / has applied** for recyclables collection services, ***please provide the following information for use by the EPD and their contractor.***
- Name : _____ Position : _____
Contact No. : _____ Email address : _____

Remarks: You have the right to request access to and correction of personal data provided in this form. If you wish to access or correct your personal data, please contact the ECC Secretariat by email to schools@eeb.gov.hk.

Signature of School Head : _____

Name of School Head : _____

Date : _____

(School chop)

Consent Statement

The Environment and Ecology Bureau (EEB), Environmental Protection Department (EPD) and/or the ECC and its Secretariat intend to use the personal data (including your name, contact number, fax number, school address and email address) that you have provided to promote the latest development, policies, activities and schemes of the EEB, EPD and/or the ECC. Should you find such use of your personal data not acceptable, please indicate your objection by ticking the box below –

I object to the proposed use of my personal data in any marketing activities arranged by the EEB, EPD and/or the ECC and its Secretariat.

Undertaking

Waste Separation and Recycling Scheme in Schools Application for 3-colour Waste Separation Bins

I, _____ (Name of School Head), hereby on behalf of
_____ (Name of School) undertake to participate in the “Waste Separation and Recycling Scheme in Schools” and apply for 3-colour waste separation bins and to abide by the following provisions:

1. Our School accepts the 3-colour waste separation bins presented by the Environmental Campaign Committee on a free-of-charge basis. We agree to place the bins within the school campus to provide waste separation facility for at least three years. Our school will ensure the cleanliness, hygiene and maintenance of the bins, and will arrange periodic collection of wastes for recycling with recyclers; and
2. Under any circumstances, our school will not abandon the bins, nor place them outside our domain. We will implement appropriate measures to prevent malicious damage of the bins. We will not transfer the bins to other organisations unless the written consent from the Environmental Campaign Committee is obtained. If the bins are no longer usable due to natural wear and tear, we will arrange a recycler to collect the bins for recycling in a proper way.

Signature of School Head: _____

Name of School Head: _____
